Suspension of the California High School Exit Exam (CAHSEE)

Retroactive Awarding of Diplomas

Effective January 1, 2016, Senate Bill 172 suspends the administration of CAHSEE for 2015-16, 2016-17, and 2017-18 school years. The law required that schools grant a diploma to any pupil who completed grade twelve in the 2003-04 school year or a subsequent school year and met all applicable graduation requirements other that the passage of the high school exit examination. Victor Valley Union High School District (VVUHSD) will comply with the law and issue diplomas to those eligible.

Please complete the form below and submit to our Central Enrollment Center located at our district office at 16350 Mojave Drive, Building 8. A $5.00 fee will only be assessed if you choose to have your diploma mailed to you, once it has been issued. If no fee payment is necessary and you will be picking up your diploma, you may also fax this form to our Central Enrollment Center at 760-955-3337.

After verification that you have met graduation requirements, your diploma will be ordered. Please allow up to 12 weeks to receive notification that your diploma has been issued, as orders are placed quarterly. Your diploma will not be mailed to you unless the mailing fee has been paid. Please ensure that all fields below are complete and that all contact information is correct.
