Dates Available for Viewing

May 21, 2018 through June 08, 2018

The State Board of Education has constitutional authority to adopt textbooks for grades one through eight (Article IX, section 7.5 of the California Constitution), instructional materials are broadly defined to include textbooks, technology-based materials, other educational materials, and tests. With the curriculum frameworks and the content standards on which they are based, adoptions in the core subject areas are a powerful leverage point for educational reform and improvement in student achievement.

After review, discussions and deliberation, the Mathematics Textbook Adoption Task Force reached consensus to recommend Bedford, Freeman & Worth for Basic and College Prep Statistics as the core Mathematics Program, for Victor Valley Union High School District.

The recommended materials for Bedford, Freeman & Worth program are:

Statistics and Probability with Applications, Third Edition (Student Edition)

Statistics and Probability with Applications, Third Edition (Teacher Edition)

SPA3E: SaplingLearning, VitalSource/Bookshelf
Digital Annotated Teacher Edition
Teacher Resource FlashDrive
Teacher SaplingLearning Access

SRIS: VitalSource/Bookshelf
Student eBook
Teacher Resource CD-Rom
